

Hi Jack

I met with Ashley and Nina this week and they confirmed that the REACH group will not be able to purchase the property and carry out the repair works and therefore accept that the Duchy will be selling the property (subject to final approval).

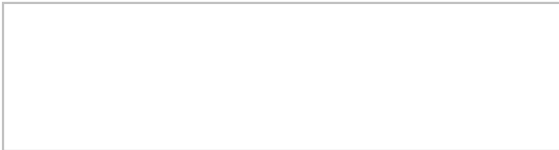

I am waiting on final written confirmation that this is indeed the case and I assume it will or has been communicated to all those in the Parish.

We have submitted a pre-app for the Wheelwrights Barn and will keep you updated on our plans and if we are able to help provide an alternate location (subject to the usual planning and internal sign off). Although, I do note that the Salem Chapel is now up and running and providing a space for local residents.

The licence of the car park and lawn area can continue up to 31st August 2026 unless a sale takes place before this date and we will be looking to terminate the licence prior to the completion of a sale.

Kind regards

Emma
